**Law Commission's recommendations to repeal Section 309 of IPC**

SHRI SHANKER SINH VAGHELA:

Will the Minister of HOME AFFAIRS be pleased to state:

(a) the observation made by Delhi High Court on the 29th March, 1985 regarding repeal of Section 309 IPC;

(b) whether the Law Commission had also recommended repeal of the same if so, when; and

(c) whether Government propose to repeal the said provision of the IPC, and, if so, how soon?

THE MINISTER OF HOME AFFAIRS (SHRI BUTA SINGH): (a) to (c) While refusing to permit the police to continue investigation of an offence under Section 309 IPC, the Delhi High Court, on 29-3-1985, observed as under:—

> "The continuance of Section 309 IPC is an anachronism unforthy of a humane society like ours. Medical clinics for such special misfits certainly but police and prisons never. The very idea is revolting. This concept seeks to meet the challenge of social strains of modern urban and competive economy by ruthless suppression of mere symptoms—this attempt can only result in failure. Need is for humane civilised and socially oriented and conscious penalogy. Many penal offences are the off shoots of an unjust society and socially decadent outlook of love between young people being frustrated by false consideration of caste, community or social pretentions. No wonder so long as society refuses to face this reality its coercive machinery will invoke the provision like 309 IPC which has no right to remain on the statute".

2. The Law Commission also has recommended repeal of Section 309 of Indian Penal Code. This recommendation will be kept in mind when comprehensive amendment of that Code is taken up.
